🏫 Institute FAQs

1. **How can an institute register on the portal?**
   A. Click "Institute Registration" and fill in details like DISE code, affiliation certificates, and contact info.

2. **What documents are required for institute registration?**
   A. Establishment certificate, affiliation certificate, and basic contact details are mandatory.

3. **Who approves institute registration?**
   A. The State Nodal Officer verifies and forwards it to the Ministry for final approval.

4. **Can an institute edit its registration form after submission?**
   A. No, edits are not allowed post-submission. Ensure all details are correct before submitting.

5. **What is the DISE code?**
   A. It's a unique code assigned to each institute by the government for identification.

6. **How does the institute verify student applications?**
   A. After login, click "Fetch Forms" to view student applications and verify details and marks.

7. **What is the Affiliated Certificate and how is it uploaded?**
   A. It is the certificate given to the institutions when they are affiliated with the government universities and it must be uploaded during verification.

8. **Can an institute reject a student application?**
   A. Yes, if details are invalid or the student is not enrolled, the institute can reject the application.

9. **What happens after institute verification?**
   A. Verified applications are forwarded to the State Nodal Officer for further review.

10. **How does the institute receive login credentials?**
    A. After Ministry approval, login credentials are activated and shared with the institute.
